

FAA Safety Team presents:

# Who is Watching Me?

This month's General Aviation Joint Steering Committee's (GAJSC), safety Topic of the Month is "CFIT and Over Reliance on Automation". Our guest speaker Dave Kalbach will be presenting the FAASTeam presentation on this month's topic. He will also jump into other subjects such as when to request traffic advisories and what services you can reasonably expect to receive, as well as defining MSA, and when it is safe to descend.

Please come out and join the discussion, and register for this event as seating will be limited!

**Directions:** Event will be held in the main boarding lounge, enter the Terminal Building through the Northern Entrance, continue towards the rental car area. Registration desk will be setup on the right hand side just before the rental car counter.
